A NEW ADDITION TO THE TRANSITIONAL HOUSING SPECTRUM

ENCAMPMENTS

pack up belongings & take transit or evicted from park by law enforcement

respites are 99% full
avoidance due to poor sleep, stolen belongings, too many rules, disagreements with staff or dwellers, or kicked out for substance use or unruly behaviour

24-HOUR RESPITE

access a phone & call Central Intake get a spot & travel there to claim it in time

shelters are 98% full
"sorry, no spots available tonight"

OVERNIGHT SHELTER

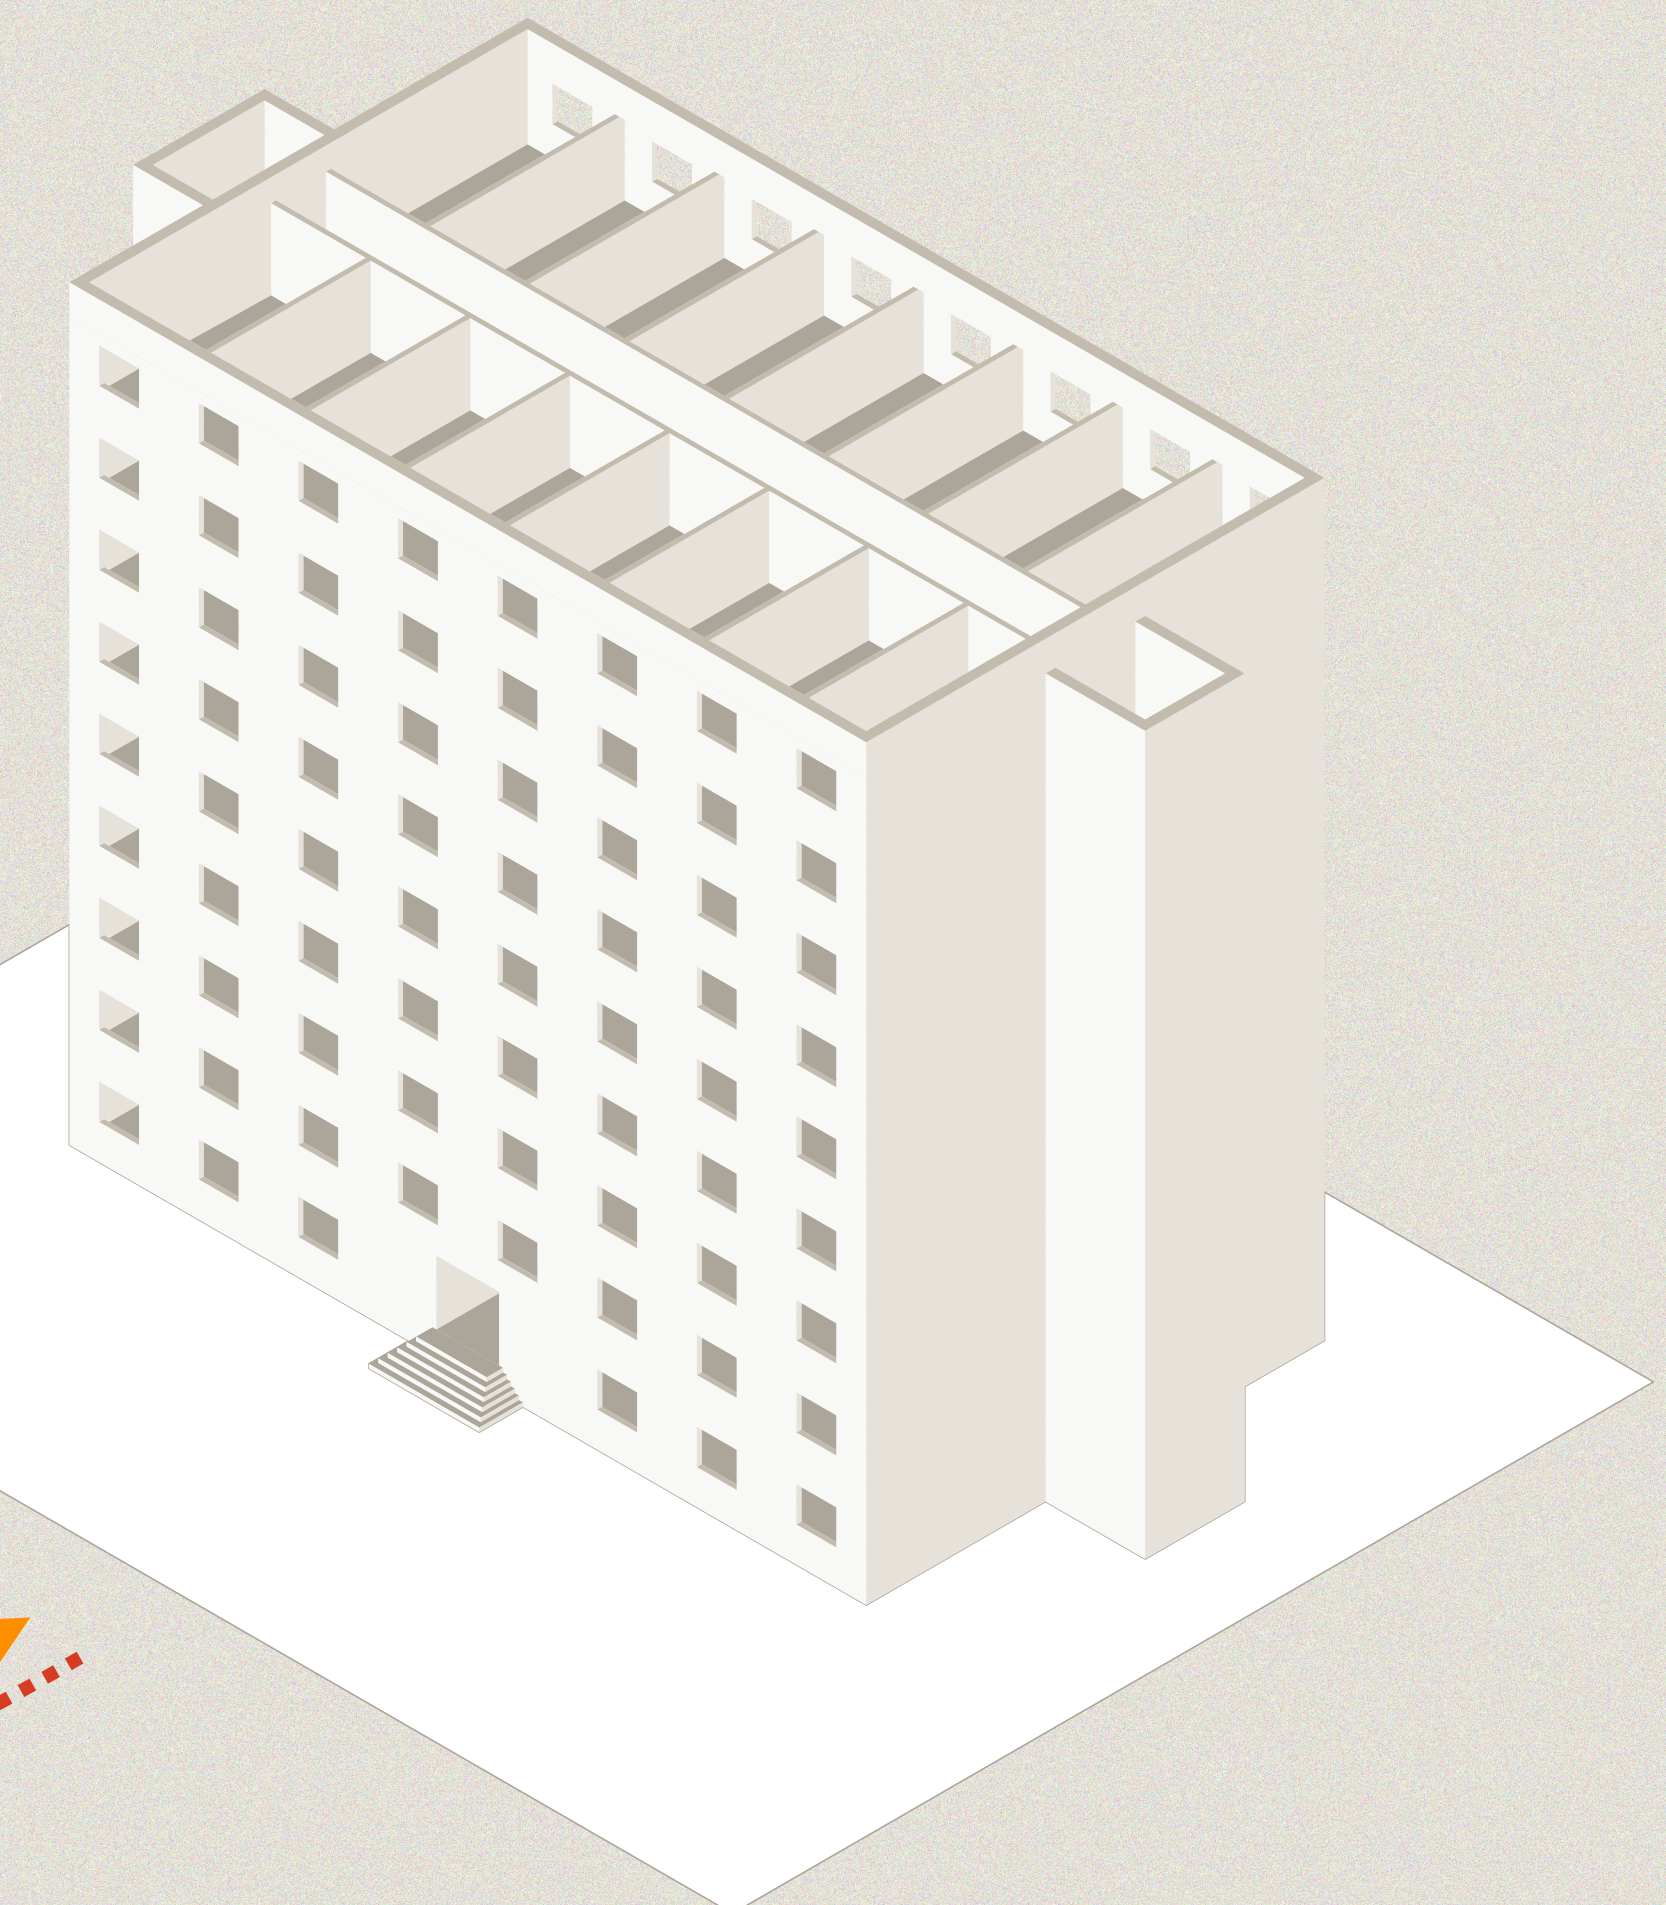

work with housing worker to get offered a permanent housing location somewhere in the GTA, and accept it

CABIN COMMUNITY

STEP TWO
when resident feels ready, they can transition to an apartment

LONG-TERM HOUSING

shelters and respites are both full
lose spot if not claimed it in time, kicked out for having or using substances, avoid because belongings were stolen

avoidance due to lack of community, far from support networks, confining rules, stress of maintaining an entire apartment

STEP ONE
work with cabin community workers and designer to secure location in cabin community
